Community Involvement

- **Lecturer – American Bar Association**

Dr. Bloom, recognized as an authority in Real Estate Development, lectured at the Annual Meeting of the American Bar Association on real estate development and environmental laws.
- **Author – American Bar Association**

Dr. Bloom authored an article on real estate development and environmental laws for the American Bar Association's Practicing Law Institute publication.
- **Lecturer – National Accounting Association**

Dr. Bloom, recognized as an authority in Real Estate Financial Analysis and Financial Reporting, lectured at the Annual Meeting of the National Accounting Association on real estate development, financial reporting and related accounting.
- **Optimist International**

Past President of Optimist International in San Diego, California.
- **California Law for the Prevention of Animal Cruelty**

Dr. Bloom assisted in the formation of California Proposition 6, an initiative statute that passed in a ballot election and became California State Law. This important law prevents the cruelty to animals and the prevention of the transportation of animals – where these animals would suffer extreme brutality. This law provides for stiff penalties and sentences for violators who take part in these inhumane activities.
- **CHILDHELP – Honorary Member:**

Honorary member of CHILDHELP USA, the national non-profit organization dedicated to the prevention of child abuse and neglect.
- **CHILDHELP Building for the Prevention of Child Abuse and Neglect**

Dr. Bloom received a special award for assistance in fund raising at John F. Kennedy Center for the Performing Arts, and for the construction of the CHILDHELP USA Facility in Washington, D.C. CHILDHELP in Washington, D.C., is the epicenter of the annual CHILDHELP National Day of Hope, which emphasizes their continual efforts throughout the year to save child victims of abuse and neglect. CHILDHELP, with its chapters all over the country, is helping thousands of children to live safer, healthier and happier lives.
